

20-April-2026

South China Agricultural University

Dear Madam/Sir,

I am delighted to invite the delegations from South China Agricultural University listed below to visit our campus for the purpose of academic interaction with our faculty and research staff during May 11th to 13th 2026.

The Department of Chemical and Biological Engineering at The Hong Kong University of Science and Technology (HKUST) is one of the premier engineering programs in Hong Kong and the world. The department offers a range of undergraduate, graduate, and research programs that cultivate future leaders in the field of chemical and biological engineering. We believe this visit will promote the collaborations in both research and technology.

The list of delegates as follows:

Name	Occupation
Lü Jianhong	Social Science Researcher, Party Committee Secretary of the Academy, College of Life Sciences, South China Agricultural University
Luo Mingzhong	Professor, Dean, College of Economics&Management, South China Agricultural University
Li Zhen	Professor, Dean, College of Artificial Intelligence And Low-Altitude Technology, South China Agricultural University
Sun Jian	Professor, Deputy Dean, College of Veterinary Medicine, South China Agricultural University
Xie Qingjun	Professor, Associate Dean, College of Agriculture, South China Agricultural University
Dai Wenlang	Lecturer, Deputy Director of the Party Committee Faculty Affairs Office and Human Resources Department, Talent Affairs Office, South China Agricultural University

We look forward to welcoming you to HKUST and fostering a lasting partnership between us.

Your sincerely

HANYU GAO
Assistant Professor
